

## Clothing Colors Song

**\*Tune: If You're Happy and You Know It**

*If your clothes have any red, any red  
If your clothes have any red, any red,  
If your clothes have any red, put your finger on  
your head,  
If your clothes have any red any red.*

Other verses:

blue – finger on your shoe  
Black- tap your neighbor's back  
yellow – smile like a happy fellow  
white – give a hug with all your might.

## Five Green Little Clover Leaves

**\*tune: 5 Green and Speckled Frogs**

*Five green little clover leaves,  
Sitting in a meadow green,  
Soaking up the bright warm sunshine.  
Along comes a hungry cow,  
Looking for his breakfast chow,  
Munches on one green clover leaf. Oh no!*

Use visuals and countdown with the song. (You can also use the cow mask as a fun addition)

## Johnny Hammers With One Hammer

**\*Tune: Mary's Wearing A Red Dress**

*Johnny Hammers with one hammer,  
One hammer, one hammer.  
Johnny hammers with one hammer,  
All day long.*

Add two, three, four, and then five hammers.

Hammer with one fist, then two fist, add each leg, and last add the head. This is a silly movement song.

## Green Says Go

**\*tune: chant**

*Green says, 'Go!'  
Go Go Go!  
Yellow says, 'Slow!'  
Slow... Slow... Slow  
And red says, 'STOP'  
Go go go!  
Slow... slow... slow  
and STOP!*

This is a chant doesn't have a tune. We sing this song with colored dots for each color, we sing this with scarves and wave the scarves according to the speed, we have also used shakers and sticks to practice different speeds with this song. Movement such as clapping and marching also works well. (there are so many different avenues)

# Lucky Leprechaun

**\*tune: Frère Jacques**

*Lucky Leprechaun, Lucky Leprechaun  
Where can you be? Where can you be?  
Hiding in the tall grass, underneath a clover,  
There you'll see, there you'll see.*

*Lucky Leprechaun, Lucky Leprechaun  
Where can you be, where can you be?  
Look into the barn yard, sitting by a horse shoe,  
There you'll see. There you'll see.*

*Lucky leprechaun, lucky leprechaun,  
Where can you be, where can you be?  
Up high in a rainbow, slide down to a pot of gold,  
There you'll see, there you'll see. One little finger,  
one little finger, one little finger  
Tap tap tap.  
Point your finger up, point your finger down  
Put it on your chin.*

Use leprechaun on a popsicle stick.
